Free Delivery

Order online or call our hotline

0870 4931 412

**We accept all major
Credit and Debit Cards**

*To make a purchase online, browse our
store, add the items you want to buy
to the shopping cart and 'checkout'.*

No charge is made for any item until it is ready to ship. Back-ordered items are not charged until they are shipped. Please note, we only accept credit card payments for 'product only' sales, for purchases that include services offered by us we only accept cheque or bank transfer.

Order Confirmation: We have received your order when you receive 'confirmation of order'. When we send you an invoice, you will know your order is accepted your order. In the case of a change of price, we will always contact you first to ensure that the price is acceptable.

Guarantee: E1Get.com warrants that the Goods are of satisfactory quality. If the Buyer wishes to make a claim under this warranty, the Buyer shall give written notice to E1Get.com within 30 days of the discovery of the defect and give E1Get.com a reasonable opportunity to inspect the Goods in question. E1Get.com shall not be liable for any breach of warranty if the Buyer makes any further use of the Goods after giving such notice or alters or repairs the Goods without the agreement of E1Get.com. Webstract Ltd's liability under the warranty shall be limited to repairing or replacing the Goods in question or refunding the price of such Goods.

Shipping and Handling: FREE Delivery on all items delivered within the United Kingdom. This offer excludes Northern Ireland, Channel Islands, Isle of Man, Scottish Islands, Scilly Isles and the Isle of Wight.

Delivery Schedule: We deliver your order right away. We will normally send your order to you in 1-3 business days. International orders are generally received in under 4 days.

Back Orders: If your item is not in stock, we will back order for you. You will be given the option to cancel your order if you would rather not wait.

Tax Charges: 17.5% VAT is added to orders made from the UK or the European Union. All other orders VAT free.

Credit Card Security: We use Secure Server to undertake our Credit Card Authorisation services. Secure Server is the one of the most secure Internet Payment Service Providers using the highest level of encryption currently available (128 Bit), they are also amongst the most advanced in the industry.
